Tamburi Investment Partners S.p.A. (“TIP” - tip.mi), independent and diversified industrial group listed on the Euronext STAR Milan segment of Borsa Italiana S.p.A., announces that Standard Ethics, independent agency that analyses the sustainability policies implemented by companies, has assigned the Investment Grade rating to TIP (rating di EE-) stating that the Company “has begun implementing international sustainability recommendations in a credible manner, tailoring them to the particular nature of its business”.

This important recognition certifies the good - historically consolidated - path followed by TIP in terms of sustainable approach to the business world and allows it to achieve one of the commitments that the Company has assumed with the approval of the “Sustainability Plan” set out in the document “Culture of Sustainability” (available in the specific section of the website).
